Dear Asst. Prof. Wichit Kummantakhun, Ed. D.,

I hope this letter finds you well. I am writing to express my genuine interest in exploring the possibilities of establishing a closer collaboration between Roi Et Rajabhat University (RERU) and our institution, SITUSBANTEN Teacher College, located in Serang Regency.

SITUSBANTEN is a well-established teaching college with diverse academic departments, including Sports Science, Early Childhood Education, English Education, Tourism, Guidance and Counseling, Safety Science, Biology, and more. As the Head of the Foundation overseeing the institution, I believe that fostering a partnership with RERU would be mutually beneficial, especially given the strengths of both institutions.

I would be delighted to arrange a virtual meeting at a mutually convenient time to further discuss this potential collaboration. During our meeting, I look forward to sharing more about SITUSBANTEN and learning about the remarkable work being done at RERU.

Additionally, I am currently preparing an educational trip for some of our lecturers and students to visit your university, particularly to learn about your Sports Science program. Our institution has a strong track record in Sports Science, having produced several successful athletes, including recent participants in the Olympics, particularly in weightlifting.

To facilitate this initiative, I would like to appoint my son, Mr. Ahmad Abdan Sakuro, as the mediator for this cooperation. We can discuss further details and outline a roadmap for our collaboration, and I believe we could eventually formalize this through an MOU after becoming more familiar with each other's institutions.

I look forward to hearing from you and welcome the opportunity to move forward with this exciting partnership. Please feel free to contact me through Whatsapp +6282116860157 or salimherli@gmail.com if you have any questions or would like to schedule a meeting.

Thank you for your time and consideration.

Warm regards,

Professor Herli Salim  
Head of Foundation, SITUSBANTEN Teacher College  
Serang Regency, Indonesia
